Presidents Welcome

Hello Everyone!

I am honored to welcome everyone to the 2024 Middlesex and New Haven County 4-H Fair! This past year, our officer team has been working very hard to guarantee the success of our 98th fair.

I'd like to thank our 4-Hers. There would be no fair without you, your support, dedication, and hard work this year. Now we've made it!

And to the mentors, volunteers, and parents: with your support you help make the best better, we truly couldn't do it without you.

This will be my 3rd year in 4-H. I will never forget my 1st 4-H fair, where I realized how much I enjoyed being around animals and agriculture. I'm so thankful to 4-H because of all the experiences it has given me. Here's to a great fair weekend that showcases the work of our members from showing livestock, pulling tractors, and all of the various categories in home arts! Good luck to all!

Sincerely,

Ivy Fisher, 2024 Fair President

Dedication

2024 Middlesex/New Haven County 4-H Dedication:

Krista Sandoval was a dedicated 4-H club leader and volunteer. Her involvement in 4-H began when she started the Milford Pacesetters Club to ensure that her sons, Jonathan and Nathan, had access to 4-H. The Milford Pacesetters Club was active in all aspects of 4-H for over 10 years.

Krista served as a member of the New Haven County 4-H Advisory Committee. She was also a very active member of the Fairfield and New Haven 4-H Home EC Committee, which conducted the two-county clothing review and fashion review for many years. Krista also taught workshops at those programs.

In addition, Krista took on the role of Coordinator for the 4-H Davis Street School (New Haven Charter School) Grant from 2004 to 2006, conducting life skill education programs for youth. Krista, along with her husband Perry, chaperoned Citizenship Washington Focus in 2007. She also served as an adult advisor for the CT Teen Ambassador Program from 2003-2006. Krista was awarded the CT 4-H Leadership Award in 2006.

She was a 4-H fair mentor for the Coordinator of Home Arts for several years, then took on the role of fair program advisor. She worked alongside her husband Perry to develop the computerized check in process and helped innovate many things for the fair. We still see many of her ideas today. We were all very saddened by Krista's passing and miss her greatly.

Who We Are

For over 100 years, through 4-H, the largest dynamic youth organization in America, Connecticut's young people have developed skills and attitudes that will serve them throughout their lives. We stress self-confidence, personal well-being, and environmental responsibility. 4-H offers free group and individual educational opportunities to encourage youth to wonder, explore, experience, and grow in mind and body.

Through fun activities under the guidance of caring and knowledgeable professionals and volunteers, young people learn about themselves and their world. We help them build on their strengths as they try new things, reach out to others and strive to achieve their goals and receive recognition for their accomplishments.

4-H is the youth development program of the University of Connecticut Extension System. As a part of the College of Agriculture, Health and Natural Resources at UConn, we belong to a nationwide educational network through Cooperative Extension and the U.S. Department of Agriculture.

- d. A photocopy of verification form (showing that all dates and signatures were made by verification deadlines) must accompany the entry.
- e. Out of County 4-H members must follow all other rules and regulations, complete all registration forms and pay any entry fees.

3. **OVER THE CLOVER:** Open to any 4-H alumni from Middlesex or New Haven County or any past or current 4-H volunteers enrolled in either county regardless of youthful affiliation or the parents of currently enrolled Middlesex/New Haven County 4-H Members. See Over the Clover Division for details.

4. **ENTRY FEE:** Livestock – includes all animals. For large (beef, camelid, dairy, goat, sheep, working steer, and swine) exhibitors must pay \$1.00 per animal. Poultry and rabbit exhibitors pay \$.25 per animal. Entry fees are due at the time registration is submitted with forms by the designated deadline.

Registration forms sent without entry fee will be charged a \$10 late fee per animal. It is recommended that your entry fees be in check form. There is no entry fee for home arts exhibits.

5. **ENTRIES:** All 4-H members wishing to participate must register as an exhibitor by the designated deadline.

6. **EXHIBIT ON-SITE CHECKIN:** ALL exhibitors must report to the registration desk in the Home Arts Exhibit area prior to setting up ANY (including animals) exhibits. (Follow signs). Record book forms must be turned in at this time and exhibitor's passes/wrist bands will be issued.

General Rules and Regulations continued

7. 4-H RECORD BOOK: All exhibitors must submit their 4-H record book for judging in order to be eligible for ribbons or trophies. Complete information about judging record books will be available in June. In addition, any 4-H member who wishes to exhibit their 4-H Horse or Livestock (Beef, Camelid, Dog, Dairy, Goat, Poultry, Rabbit, Sheep, Small Animal, or Swine) must have submitted the appropriate 4-H Animal Project Verification Forms to the 4-H Office by the designated deadline in the spring of the current 4-H year to have their project animals evaluated and be eligible for any awards.

8. REMOVAL OF EXHIBITS: All exhibits must remain in place until Sunday at the designated close of fair or risk the loss of any awards given. Items not collected by the close of the fair will be disposed of at the discretion of the 4-H Fair Association. Everyone exhibiting in a department will be given a clean-up task to complete before being signed out by the superintendent of that building and having their exhibits released. 4-H members exhibiting livestock are expected to break down the enclosure(s) used for their animal(s) and remove all bedding.

9. JUDGING: No person may interfere with judges while they are judging. Exhibit areas will be open to 4-H members involved in conference-style judging but may be closed to the public. Superintendents from each department will remain in the buildings to assist the judges.

The Fair Association has established the Danish System as the primary system of judging. Each exhibit is evaluated by the judge on its own merit and is not compared to others in the same lot. Evaluation is based on the quality of the exhibit with consideration of the exhibitor's age and experience in the project.

DANISH RIBBONS: Blue (B.) signifies excellent, Red (R.) very good, and White (W.) good.

Judges in each department will evaluate each entry and select special awards from the blue ribbon recipients. In cases where there are limited entries, the judges will deem appropriate the awarding of any trophies or special ribbons. In all cases, the decision of judges will be final.

MULTIPLE EXHIBITORS: When more than one exhibitor is entering a non-club project together, the youth must choose which name and exhibitor number is to be used (only one Danish ribbon will be awarded for each exhibit. In addition, only one rosette ribbon or trophy, if applicable, will be awarded, regardless of the number on youth helping with the exhibit). It is the responsibility of the exhibitors to make this decision. Otherwise, the first name listed on the entry will be used.

10. EXHIBITS: All exhibits must be made or grown by the exhibitor during the past year; animals must be owned or managed by the exhibitor during the current 4-H year.

There is a limited amount of table space available to each exhibitor in the Home Arts area. If your exhibit takes up a large space or if it needs a large amount of floor space, contact the Home Arts Coordinator for advisement before June 1. Exhibit support materials (such as backboards for displays, table coverings and full tables or more for large exhibits) must be provided by the exhibitor.

11. EXHIBIT SAFETY: During the fair all exhibits are under the direction of the 4-H Fair Association which will use due precaution for the safety of all exhibits. In no case will the Middlesex & New Haven County 4-H Fair Association, Durham Fair Association or management be responsible for any loss or damage that may occur. Each exhibitor and their parent/guardian (as well as owner of leased animals) will be solely responsible for any loss, injury, or damage to any animal; or loss, injury or damage done by or arising from any animals exhibited by him/her and shall indemnify said Fair Associations against legal or other proceedings in regard thereto. All exhibitors should give personal attention to their property.

Each exhibitor is responsible for the care of his/her animal(s) and any damage done. All animals must be raised and shown by the 4-H member using safe and currently approved agricultural practices.
14. **OVERNIGHT STAYS:** Exhibitors who have signed parental consent forms from the 4-H office may stay overnight provided there is an adult present who will be the Emergency Contact responsible for them. 20. **EDUCATIONAL EXHIBITS:**

General Rules and Regulations – Over the Clover, Almost a Clover Divisions

Over the Clover Divisions

In celebration of the 75th Anniversary of the Middlesex and New Haven County 4-H fair, two divisions were created in 2001 - “Over the Clover” and “Almost a Clover.” The 4-H Youth Program has always supported family participation, and these two divisions open more avenues for such participation by offering opportunities for volunteers and other family members to showcase what they have been doing during this past year. We will continue to accept entries in both these categories.

The following Guidelines Apply:

1. Open to any 4-H alumni from Middlesex or New Haven County, any past or current 4-H volunteers enrolled in either county regardless of youthful affiliation or the parents of currently enrolled 4-H Members in Middlesex or New Haven County.
2. Adults are not eligible for fair awards listed in the fair book.
3. Adult exhibits will not be evaluated. They will be displayed in a special section in the Home Arts department. Special recognition ribbons will be given out to each exhibit. In addition, every fairgoer will be given the opportunity to vote for “People’s Choice.” Five winners will be selected to receive the award at year-end awards.
4. Each exhibitor can only be selected once for the top 5 awards. For example, if Mary has two exhibits that come in 2nd and 4th place, she will receive the second place award and another exhibitor will fill the 4th place spot.
5. Adults must pre-register using the designated forms (located in the fairbook, on the 4-H Fair web site: **www.4-Hfair.org** or contact the 4-H Extension Center). Any entry fees must also be paid (livestock).
6. When preparing exhibits, adults must follow the exhibiting guidelines listed in the fair book.
7. Exhibits (with the exception of 4-H scrapbooks/record books which are for display only) will be evaluated using the Danish system with blue, red, and white ribbons awarded. Adults are ineligible for fair awards listed in the fair book (end of year awards).
8. With the exception of scrapbooks, record books, or other memorabilia from the exhibitor’s 4-H career which are for display only, exhibits must have been completed or cared for during the current 4-H year.
9. All exhibit check in times and rules apply and may not be removed until designated close of Fair on Sunday afternoon.

Only dogs handled completely by the 4-H'er will be eligible for high scoring award.

For Agility, dogs may only be run with a buckle collar that is properly fitted and will not get tangled or caught in anything. Even if participating in Off Lead Agility, a buckle collar must be worn. Coordinator's decision is final. We want all dogs to have fun and be safe.

-Owners or handlers entering their dogs in any portion of the Agility class do so at their own risk, agree to be responsible for their own dog's safety, and agree to assume responsibility for any damage caused by them, or by their dogs. They also agree to abide by these regulations.

-All classes will be judged first using the Danish System, followed by placing rosettes where applicable.

-All owners/handlers entering the fairgrounds are responsible for keeping their dogs under control at all times. Dogs must be on leash, unless properly crated or being judged. Dogs are allowed only in designated areas. Dogs are not allowed in livestock barns.

Dogs - Animal Class 50 (cont.)

-A handler can be excused by the judge or fair officials at any time for inappropriate actions including, but not limited to, harsh correction or commands and excessive handling. A dog may be excused if the dog is out of control or is unsafe in its negotiation of the equipment. Any animal showing any distress or lameness will not be allowed to be shown. No class will be held for late arrivals. If the handler is not at the ring, ready to compete when their number is called, they will be moved to another part of the class at the discretion of the judge or fair officials.

The Danish System and Recording Number of Years Working in Your 4-H Project Area

As each evaluation is based on the quality of the exhibit with consideration to the exhibitor's age and experience in the project, 4-H members, especially in Home Arts, are asked to state the number of years in the project.

When you determine the number of years in a project, we are looking for the number of 4-H years learning that skill, not the number of articles you have completed. Also, because many different techniques are included in the Home Arts project area, we are looking for how long you have been doing a particular technique.

For example, the Project area of crafts includes everything from copper enameling, jewelry making, candle making to basket making and tie dying. Most of these projects involve significantly different techniques which must be learned. Therefore, if you have been doing candle making for two years and move to macramé this year, it would be your first year in crafts for that project.

Needlework is another example. A person must learn different techniques when they move from crocheting to knitting to embroidery. If you have questions, contact the 4-H staff prior to the fair or speak with one of the Home Arts committee at the time of entering.

It is expected that 4-H members seek to continually improve their skill level in their project. For example, if you have been sewing for three years – the first year you might learn how to operate a machine and sew a simple skirt. The second year, you might learn how to set in sleeves and add a zipper. The third year you might alter a pattern. As all of these steps are considered to be in the project area of sewing, this would then be considered your third year in the sewing project.

The key is not how many articles you have completed; it is how many years you have been learning this project.

Each exhibit may only be entered into one class and lot.

Premier Showman of Home Arts Contest – Saturday, 1:30 PM

The Premier Showman of Home Arts contest is a competition to determine the overall show person in the Home Arts area. This prestigious award recognizes an individual's ability to create several award winning exhibits as well as measure their ability to discuss a variety of aspects of their exhibits. Considering the strict criteria necessary to compete it is a high honor to even place in the top ten.

For an individual to qualify to compete for the Premier Showman of Home Arts he or she must satisfy the following criteria.

- Must have submitted an exhibit in at least 5 different Home Arts classes.
- Must have received at least one Court of Honor or Outstanding Exhibitor award.
- Must be available to meet with the judges on Saturday afternoon.
- Exhibits in the following classes do not qualify: Expressive Arts (Performing Arts), Kids Barn, 4-H Explorers, Record Books, Public Speaking & DVD/CD exhibits. Also, exhibits that are entered in Home Arts but located in the Livestock areas during judging will not be considered for Premier Showman status. If someone has done a poster and wants it to be considered for Premier status, it must be available in the Home Arts building Saturday afternoon for judging.

From the list of qualifying individuals, the top ten will be selected to compete according to the number of awards they receive in the following order: Purples (Court of Honor [CoH] or Outstanding Exhibitor [OE]), Blues, Reds, and Whites. Example: an individual who has 2 purples and 3 blues ranks higher than an individual with 1 purple and 5 blues.

Once the ten finalists have been selected, their ranking is established by interviews with the judges. Each individual must select 3 or 4 of their exhibits which showcase the breadth and quality of their work to discuss with the judges.

Judging Criteria:

- Ability of the exhibitor to show their projects and discuss their choices and techniques used
- Quality of the exhibits
- Ability of the exhibitor to discuss their work and answer judges questions

Appearance of exhibitor (business dress)	10 points
Selection of exhibits	40 points
